Personal protection trousers with reinforced front leg with floating multifunction pockets and leg with equal pockets ideal for use in dangerous environments and high-risk work areas. These regular cut pants feature aramid reinforcement on the thighs, knees and lower legs for increased durability and protection. The KneeGuard™ system ensures optimal knee protection.

They are regular fit pants with reinforced front for reliable protection in high-risk work areas and dangerous environments. The pants offer inherent protection against heat and flames and protection against electricity and electric arc with reinforced front legs with aramid for increased durability and reliable protection. The pants also include pockets on the legs and floating multifunction pockets. Pre-bent legs and crotch reinforcement guarantee exceptional comfort and movement. The pants also feature the KneeGuard™ system for reliable knee protection. Class 1 visibility.

- Modern cut with pre-bent legs and crotch reinforcement for exceptional freedom of movement
- KneeGuard™ knee pocket system, which keeps the knee pads in an optimal position for superior protection, comfort and durability
- Aramid reinforcement on the front legs for increased durability and protection
- DuPont™ Kevlar® fiber reinforcements inside the ruler/tool pocket for increased durability
- Floating multifunction pockets included and also features equal pockets on the legs.
- Sewn-in reflective tape around the legs
