Waterproof shell pants ideal for use in dangerous environments or high-risk work areas. Personal protection pants offer reliable protection and combine work comfort with flexibility.

Waterproof and windproof pants that offer reliable protection in dangerous and high-risk work environments. Personal protection pants offer certified welding protection and feature anti-static protection. Properties, inherent protection against heat and flames, and exceptionally high protection against electric arc. In addition, the pants offer protection against lighter chemicals, with covered and protected pockets. A heat-sealed reflector provides high visibility according to EN ISO 20471 Class 2 for increased safety in low light conditions. The KneeGuard™ system ensures reliable knee protection.

- Exceptionally high protection against electric arc, APC 2 and calorie levels of 30 cal/cm²
- Certified welding protection
- Pre-bent legs and reinforced crotch for extraordinary movement
- KneeGuard™ system certified according to EN 14404
- Pockets reinforced with DuPont™ Kevlar®
