Brand: Snickers Workwear

- EN 11612 - Protection against heat and flames.
- EN 61482-2:2020 - Protection against thermal hazards of an electric arc.
- EN 1149-5 - Protection against electrostatic properties.
- EN 20471 - High visibility.
- EN 14404 - Knee protection

Elastic, durable personal protective work pants that provide reliable protection in high-risk work areas and hazardous environments. The pants feature inherent heat and flame protection, protection against electric arcs, and anti-static properties. In addition, a heat-sealed reflective strip combined with fluorescent material provides Class 2 visibility. The stretch material and pre-curved legs ensure mobility and comfort, while the KneeGuard™ system offers certified knee protection. The reinforced multifunctional pockets with DuPont™ Kevlar® and the equal pockets on the legs with DuPont™ Kevlar® provide durable storage. For a contemporary look, the bottom of the legs has a slightly narrower fit.

- Main material with two-way stretch for optimal comfort and increased mobility.
- Reinforced multifunctional pockets with DuPont™ Kevlar®.
- Equal pockets on the legs with DuPont™ Kevlar®.
- KneeGuard™ system certified according to EN 14404.
- Equal pockets on the legs to accommodate both right-handed and left-handed individuals.
- Pre-bent legs and reinforced crotch for exceptional movement and comfort.
